

# neus

Elegant, with a touch of the bohemian, and convinced that a straight line is not the most interesting way to get somewhere.

That description fits both our neighbor Neus and this versatile, drapey, bias-knit wrap, designed with her in mind.

## Glossary

K = knit

P = purl

RS = Right side

WS = Wrong side

sl1 = slip 1 stitch purlwise

kfb = knit front and back: knit the stitch through the front loop, but leave it on the left needle; then knit it again going through the back loop of the stitch

k2tog = knit 2 stitches together

ssk = slip 1 stitch knitwise, slip 1 stitch purlwise, then go into the front of those stitches with the left needle and knit them together.

## Tips

Because the stitch pattern looks fairly similar on the RS and WS, I like to place a removable stitch marker, safety pin or piece of contrasting color yarn at the beginning of the RS rows (through an edge stitch).

This is a visual reminder that you need to increase and decrease on these rows. You can just move it along as your wrap grows.
